

CAMP VAN DORN, MISS.

Sunday

Dear Folks:

I apologize for not writing sooner, and I really appreciate your sending letters without waiting for me to reply. I have been very busy this week, and this is the first time I've had to myself.

I've received everything that you've sent out, and I really appreciate the articles received. Just one thing. Try to send more Gillette Blue Blades.

I'm in a new Barracks now, I moved on Thursday. I'm now in the Headquarters platoon. (still the same address). We have cooks, drivers, intelligence men and clerks. Its quite a varied outfit. We even have a boxing promoter.

I've been taking pictures today of all the fellows in the platoon, and I would really appreciate it if ~~Dad~~ Dad could have prints made (5x7, 8x10 or some fairly large size).

I'm going to wash clothing this afternoon - my fatigues, socks etc. We have a laundry, but I only have one pair of fatigues, and I would have to wait a week.

I just took time out to take some pictures. I hope that they turn out O.K.

I can't write a long letter to save my neck, so if there is anything you want to know, ask specific questions

Love,

Bruce
