

UNITED STATES ARMY

15 JAN 45.

Dear Folks;

Inclosed is a money order for twenty bucks. I just got tired of lugging it around with me. The medium of exchange here is food, candy and cigarettes.

The package hasn't arrived yet, but I'm hoping for the best. I imagine that it will probably arrive as soon as the weather gets warm. Such is life!

Did you ever subscribe to "Time" and "Life" for me? There is an awful dearth of reading material over here.

Take care of yourself and take good care of that farm. When I come home I want to sit in front of that fire, pet the dogs and swill scotch.

Love —

Bruce.
