am due to change jobs — for the better. I may be the Sgt Major of the battalion. I hope that it works out. Our regular Sgt Major cannot go with us as he is in the hospital. I have been asked to take the job — I accepted — and I think that it's mine.

I'm sending home another box. In case you didn't get my last one yet, please try to have a camera and plenty of film available if & when I do get home.
